Address/Telephone Updates

Any changes to contact details at any time throughout the year should be reported to the office immediately.

It is essential that school records be updated to ensure contact in the event of an emergency. It is very distressing for a child when there is difficulty contacting his or her family.

It would be helpful if any changes could be recorded and returned on the Data Collection sheets that were sent home with each child.

New Primary 1 Information

Please note that all Primary 1 pupils will stay in school until 1.00 p.m. Mon 25th September for one week and have their first full day 8.55 a.m. - 2.00 p.m. On Monday 2nd October. They will begin their school day by lining up for morning prayers in the playground.

Nut Free School

A reminder that St Clare's is a 'Nut Free School' Please ensure that Your child does not bring any food products containing nuts into school. Thank you for your co-operation in this matter.

Curriculum meetings will be held for parents in the week beginning 19th September. At these meetings class teachers will explain their plans for the coming year. It is essential that each child is represented by a parent or guardian at these meetings as teachers will be advising you on how you can best support your child in the coming year.

Meetings will be held in the school assembly hall or your child's classroom.

Please note the date and time of your child's year group meeting.

3. Please note that plimsoles are an essential requirement of the school uniform and must be worn each day. It is not possible to participate in PE lessons without plimsoles.

Child Protection

Please note that Child Protection procedures are available on our website.

As a matter of Child Protection we ask that parents leave their children in the school playground and do not enter the school without an appointment or by calling at the school office to arrange one suitable to them and the teacher.

Home Alone

P4-7 Pupils walking home

Please note that it is essential that your child provides the class teacher with a note giving permission to walk home alone.

St Clare's Parent's Group

We would like to encourage more parents to join our 'Parent's Group' for updates of meetings, watch this space!

Punctuality & Attendance

This year in St Clare's we are rewarding excellent punctuality and attendance.

Excellent attendance and punctuality is essential for our pupils. Missing days and arriving late deprives children of their access to the full school curriculum.

Please ensure that your child arrives on time and stays for a full school day.

Our school day begins at 8.55 a.m. each day in the playground.

Essential learning takes place early in the day and often the child who is late finds it difficult to catch up with what they have missed. Similarly, a child who often leaves early is equally disadvantaged.
